

ZISYS EVENTS

Job Opportunity

Job Title: Junior Audio Visual Technician
Job Location: Venues throughout Scotland and the UK;
Workshop & Office in North Ayrshire
Working Hours: Full Time
40 hours per week
Job Reference: JR1001

Job Description:

Zisys Events is one of Scotland's leading Event Management companies. We work at approximately 250 events per year including music festivals, theatre shows and corporate & charity events.

We are currently looking to employ a junior technician to join our team of engineers.

Applicants must have a minimum formal qualification of an HND in Electrical Engineering, Sound Engineering, Music Technology, Commercial Music or an equivalent and a full clean UK driving license.

Ideal candidates will have previous experience working within live events, be hard working, highly motivated and enthusiastic.

The job roles include:

- Operating AV equipment at live events
- Rigging AV equipment at live events
- Assisting with permanent installation of AV equipment
- General warehouse activities

Applications should be made electronically by sending a CV & cover letter detailing qualifications and relevant experience via email to mark@zisysavmn.co.uk.

CV & cover letter should be attached as a word or PDF format.

Deadline for submission: Wednesday 5th May

The successful candidate will be subject to a Disclosure Scotland check
